LB 121A, 235, 292A, 338A, 421, 511, 544A
LR 88

SENATOR WITHEM: Just a point of parliamentary inquiry then. What is my position? I know it's not (inaudible) of you to advise me of strategy but what then becomes of this particular portion of the amendment?

PRESIDENT MOUL: Senator Withem, it would be, in fact, appropriate to offer this amendment to the bill itself once we have completed the committee amendments.

SENATOR WITHEM: I believe, for purposes of precedent setting, I think it's important that we all understand whether we are now going to be...I'm in the process of making a motion. I think it is important, for purposes of precedent setting, we need to know whether a way of attacking an amendment to an amendment on General File is simply dividing out the portions we don't like of that and then getting a germaneness ruling. I think that sets a dangerous precedent, but if that is the precedent the body wants, fine, but I think we should decide that, so I will make a motion to overrule the Chair.

PRESIDENT MOUL: Okay, Mr. Clerk, items for the record.

CLERK: Madam President, Enrollment and Review reports LB 292A to Select File. That is offered by Senator Hohenstein and LB 121A and LB 544A. New resolution, LR 88, by Senator Pedersen asking the Legislature to declare the week of April 25 to May 1 as "Celebrate Mentoring Week". (See pages 1812-13 of the Legislative Journal.) A reminder, Appropriations Committee will meet at noon today in Room 1003; Appropriations at noon in 1003. Senator Will has amendments to LB 511 to be printed, Senator Pirsch to LB 235. And Senator Cudaback has a new A bill, LB 338A. (Read brief description. See pages 1812-16 of the Legislative Journal.)

PRESIDENT MOUL: Thank you, Mr. Clerk. The motion before the Legislature now is Senator Withem's motion to overrule the Chair. Speaker Baack.

SPEAKER BAACK: Madam President, I move that we recess until one-thirty.

PRESIDENT MOUL: You've all heard the motion to recess. All those in favor please say aye. Opposed nay. We are in recess until 1:30 p.m.
